

4-H CLUBS at the 2023 West Niagara Fair

A Long Tradition of Youth & Fairs

WHAT IS 4-H?

4-H is one of Canada's longest running youth organizations for young people between the ages of 9 and 21. 4-H is a grassroots organization of **leaders building leaders**. 4-H emphasizes the importance of looking at the big picture; that youth need to see beyond themselves and focus on how their actions affect their relationships, their community, the environment and society as a whole. This belief is reflected in the 4-H pledge, said at the beginning of every 4-H meeting and event. The 4-H pledge encourages a balanced lifestyle (intellectual, emotional, physical and spiritual), and reminds participants to aim to be a good friend, mentor, community member and citizen.

4-H is based on a "**Learn to Do by Doing**" philosophy. Members and volunteer leaders come together to create a 4-H club, where members learn about a selected topic through hands-on activities and mentorship. 4-H gives youth opportunities to learn new things through a dedicated group of volunteer leaders. 4-H youth learn the skills needed to contribute to making this a better world. Many of them go on to become leaders in their communities.

4-H PLEDGE

**I pledge my Head to clearer thinking,
my Heart to greater loyalty,
my Hands to larger service and
my Health to better living
for my club, my community and my country and my world.**
